

THE Impact Rankings Questionnaire

University : Universitas Indonesia
Country : Indonesia
Web Address : ui.ac.id

[2] SDG2: Zero Hunger

[2.3] Student hunger

[2.3.3] Provide sustainable food choices for all on campus, including vegetarian and vegan food

Description :

UI Canteen provides a wide variety of food choices including for vegetarians. Students, lecturers and the university staff have the freedom to choose any food that they want. For example, one of the options for vegetarians that is available is Salad Buah (fruit salad) and Gado-gado (Indonesian peanut sauce salad).
