Faculty of Engineering Basketball and Futsal Court

Bike Shelter

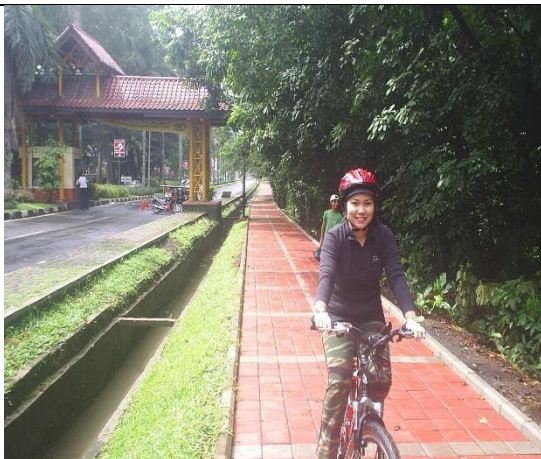

Electric Scooters provided by Gowes

Bikes provided by Gowes

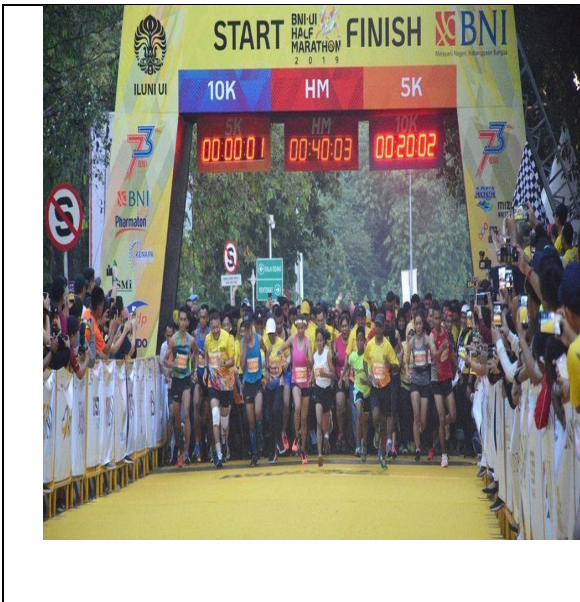

Campus Yellow Bikes

UI Bike Path

UI Bicycle Community

UI Half Marathon 2019

UI Rotunda

UI Main Road

UI Boulevard

UI Park

Description :

Universitas Indonesia features a number of sport facilities in the form of an Outdoor Stadion, Indoor Stadion, Gymnasium, Swimming Pool, Golf Course, Basketball and Futsal Court, Badminton Court, Volleyball Court, Hockey Court, along with bikes and scooters for exercising inside UI. These facilities can be enjoyed free of charge by UI's academic community.

In addition, UI has a 10+ km jogging/cycling track inside campus that can be accessed by the public. The high public interest in exercise has turned the demand for exercising facilities into an important need. On weekends, UI becomes a destination for both the residents of the surrounding area as well as those further away to fulfill their need for physical activities, such as jogging, cycling, aerobics, and running through UI's City Forest.

Universitas Indonesia continues to develop its sports facilities to accommodate the health needs of a public in which healthy living has recently become a trend.
