[6] SDG6: CLEAN WATER AND SANITATION

[6.3] Water usage and care

[6.3.3] Free drinking water is provided

**Description:**

Universitas Indonesia provides free drinking water for all faculty members and students, by placing drinking fountain facilities in all faculties mosque, and student facilities. Drinking fountains can be found in most faculties at UI. Drinking fountains are also available at other facilities that are frequently used by college students such as dormitories, the new Pusgiwa building, and UI's mosque.
