Description:

Universitas Indonesia provides accommodation for its students, prioritizing freshmen from outside the Jakarta metropolitan area. The UI Dormitory has 13 buildings, 1,425 rooms that can house 1,538 tenants. Inside each room, there is a bed, a closet, a bookshelf, and a desk. On each floor of the building, there is a shared bathroom and a musholla. As a supporting facility, UI Dormitory also comprises a number of facilities that can be accessed by its students for free: a canteen, a sports field, discussion tables, a yellow bus stop, and four drinking fountains which allows students to get free drinking water. The university also provides a number of rooms for the disabled. Inside, there is a disabled bathroom, designed to cater to the needs of people with disabilities with enough space to maneuver a wheelchair.
