Tata Kelola
Managerial Structure

UI memiliki mekanisme dan institusi tata kelola universitas yang disebut Tata Pamong UI. Tata Pamong UI terdiri dari

Majelis Wali Amanat (MWA)
Merupakan organ yang menjalankan fungsi normatif di bidang non-akademik. MWA UI beranggotakan 17 orang yang merupakan perwakilan dari seluruh pemangku kepentingan UI seperti Pemerintah, Rektor, Dosen, Masyarakat, Tenaga Kependidikan, dan Mahasiswa.

Rektor
Rektor merupakan organ universitas yang merupakan pemimpin dalam penyelenggaraan fungsi pengelolaan dan penyelenggaraan pendidikan tinggi di UI. Dalam menjalankan tugas dan wewenangnya, Rektor dibantu oleh paling banyak empat Wakil Rektor (WR).

Senat Akademik
Senat Akademik (SA) merupakan badan normatif tertinggi dalam bidang akademik yang terdiri dari Rektor, para Dekan Fakultas, para Guru Besar yang dipilih melalui pemilihan, para Wakil Dosen Non Guru Besar yang dipilih melalui pemilihan, dan unsur lain yang ditetapkan oleh SA.

Dewan Guru Besar
Dewan Guru Besar (DGB) merupakan unsur Universitas Indonesia yang berfungsi melakukan pembinaan kehidupan akademik dan integritas moral serta etika dalam lingkungan Universitas Indonesia. DGB dipimpin oleh seorang ketua dan seorang sekretaris. Anggota DGB adalah seluruh Guru Besar UI.

UI has management institutions and mechanisms called Tata Pamong of UI. They are:

The Board of Trustees
The Board of Trustees is an organ of the university that has normative functions in the non-academic field. It has 17 members from the representatives of UI stakeholders, such as the Government, Rector, Lecturers, Society, Education personnels, and Students.

Rector
Rector is an organ of the university which is the leader in organizing the functions of management and implementing the higher education at UI. In carrying out his/her duties and authorities, the Rector is assisted by up to four Deputy Rectors (WR).

Academic Senate
The Academic Senate is the highest normative body in the academic field comprising rector, faculty deans, elected professors, elected representatives of non-professor lecturers, and other elements determined by the Academic Senate.

Council of Professors
The Council of Professors is an element of Universitas Indonesia which functions to foster the academic life as well as moral integrity and ethics within the Universitas Indonesia. The council is led by a chairman and a secretary. The council members are all UI professors.

Organisasi Mahasiswa
Student Organization

UI memiliki komitmen tinggi untuk memfasilitasi tumbuh berkembangnya berbagai aktivitas kemahasiswaan yang mampu menunjang prestasi akademik. Aktivitas kemahasiswaan dapat di bidang seni, olahraga, dan kelompok-kelompok studi lainnya. Kegiatan di luar ruang kelas telah menjadi bagian integral UI untuk menghasilkan manusia yang siap berkompetisi di era globalisasi.

Dalam bagian ini akan disajikan informasi tentang Unit Kegiatan Mahasiswa di berbagai bidang peminatan. Selain itu juga, UI memiliki kebijakan untuk menumbuhkembangkan kemandirian pengelolaan organisasi mahasiswa. Organisasi kemahasiswaan merupakan laboratorium dunia nyata di mana mahasiswa nantinya akan masuk setelah mereka menyelesaikan masa studinya di UI. Oleh karena itu, otonomi dan kemandirian pengelolaan organisasi dilihat sebagai bagian dari proses pembelajaran berbasis pengalaman yang sangat berguna bagi para mahasiswa.

UI has a strong commitment to facilitate the growth of various student activities that are able to support their academic achievement. These activities relate to arts, sports, and other study groups. Activities outside the classroom have become an integral part of UI to prepare student competence for the globalization era.

This section talks about Student Activity Units in various fields of specialization. UI has a policy to foster independent student organizations. Student organizations are real-world laboratories before graduations. Therefore, the autonomy and independence of these organizations are considered as part of a beneficial experience-based learning process.

Transparansi dan Keterbukaan Informasi Publik
Transparency and Public Information

Sebagai Badan Hukum Perguruan Tinggi Negeri UI berkomitmen untuk bersikap transparan dalam pengelolaan finansial.

Layanan permohonan informasi dapat dilakukan sesuai dengan prosedur seperti yang tercantum dalam www.ui.ac.id/informasi-publik.html

As a State University with Legal Entity, UI's commitment is to provide financial management transparency.

Procedural inquiries are available in www.ui.ac.id/informasi-publik.html

SIPDUGA: UI Whistle Blowing System

Description:

University's sustainability report is published annually (2018 and 2019). The report consists of all efforts by the university in order to achieve all SDGs. This section presents the report of the sixteenth point of the SDGs, Peace, Justice, and Strong Institutions, as part of the annual university's sustainability report.

This section also provides some evidence of the university's action to achieve SDG 16. Whistle Blowing System Universitas Indonesia (WBS UI) is a mechanism that helps with the report of actions violating the Code of Ethics and Conduct of Universitas Indonesia and/or internal actions and/or the laws that are done by the academic members of Universitas Indonesia.

With WBS UI, Universitas Indonesia is trying to implement the Good University Governance (GUG) consistently and sustainably. Besides that, WBS UI is one of the programs that is implemented to fulfil the Universitas Indonesia Strategic Plan Year 2015-2019, which is the enforcement of all laws and rules in Universitas Indonesia and increasing the obedience to the implemented law.
