<p>Fasilitas Olahraga dan Akses Penggunaannya</p> <p>Untuk menunjang tercapainya tujuan pembangunan berkelanjutan di bidang kesehatan yang baik dan kesejahteraan, UI memiliki sejumlah fasilitas olahraga di antaranya Stadion UI, Gymnasium UI, Lapangan Olahraga Utama, dan Sarana Olahraga. Seluruh fasilitas tersebut terbuka untuk seluruh warga kampus UI dan masyarakat umum dengan melalui proses perizinan terlebih dahulu. Fasilitas-fasilitas olahraga ini secara aktif digunakan oleh warga kampus dan unit-unit kegiatan olahraga mahasiswa setiap pekan. Saat ini UI tengah membangun Sarana Olahraga yang diperkirakan selesai pembangunannya pada awal 2020.</p>	<p>Sports Facilities and Accessibility</p> <p>To accomplish sustainable development goals in terms of good health and well-being, UI has a number of sports facilities including UI Stadium, UI Gymnasium, Swimming Sports Field, and Sports Facilities. All these facilities are open to all UI campus residents and the general public through licensing. These sports facilities are actively used by campus residents and students every week. UI is currently building a Sports Facility which is estimated to be completed by early 2020.</p>
<p>Kebijakan Kawasan Tanpa Rokok</p> <p>Sejak 2011 UI telah memiliki kebijakan kawasan tanpa rokok melalui Keputusan Rektor UI No. 1205/SK/R/II/2011 tentang Kawasan Tanpa Rokok Universitas Indonesia. Kebijakan ini berlaku di seluruh kawasan UI dan seluruh tenant di UI dalam bentuk bangunan maupun ruang. UI menyediakan tempat merokok yang terpisah dengan jarak dengan jarak sekitarnya terpisahkan 7 meter dari dinding bangunan.</p>	<p>Non-Smoking Area Policy</p> <p>Since 2011, UI has had a no-smoking area policy under UI Rector's Decree No. 1205 / SK / R / II / 2011 concerning the Non-Smoking Area of Universitas Indonesia. This policy applies within all areas of UI and all its tenants are banned from selling cigarettes. UI provides an isolated smoking area outside the building, at least 7 meters away.</p>

Dukungan untuk Kesehatan Mental

UI memiliki fasilitas konseling khusus kesehatan mental yang tersedia dan dapat diakses dengan gratis bagi seluruh warga UI. Kebersamaan ruang konseling ini penting untuk mendukung peningkatan kesehatan mental setiap warga UI.

Support for Mental Health

UI has a special mental health counseling service open and freely accessible to all UI residents. This service is important for the mental health of everyone at UI.

Program Kampus Sehat

Pada 4 Oktober 2019, UI secara resmi meluncurkan program "Kampus Sehat". Ini merupakan program yang menerapkan Health University sebagai upaya untuk mempromosikan kehidupan sehat bagi masyarakat kampus. Program ini merupakan hasil kerja sama UI dengan Kementerian Kesehatan, terutama dalam upaya mewujudkan kesehatan yang berbasis promotif dan preventif.

Healthy Campus Program

On October 4, 2019, UI officially launched the "Healthy Campus" program which was a collaboration between UI and the Ministry of Health to realize a promotive and preventive health at campus. This is a program that realizes a Health University through the promotion of a healthy lifestyle among the campus members.

Program Komunitas Sehat

Selain program "Kampus Sehat", pada 4 Oktober 2019 UI juga memperkenalkan program "Komunitas Sehat". Program ini merupakan bentuk pengabdian UI kepada masyarakat berupa pembinaan Pos Binaan Terpadu (Posbindu). Hingga 2019, UI telah membiayai Posbindu di 3 wilayah di Indonesia, yakni di Kabupaten Sidoarjo (Jawa Timur), Kabupaten Musi Banyuasin (Sumatera Selatan), dan Kota Depok (Jawa Barat). Lewat Posbindu ini masyarakat didukasi perihal kesehatan dan dapat mengonsultasikan dan memeriksa kondisi kesehatannya.

Healthy Community Program

Besides the "Healthy Campus" program, UI also introduced the "Healthy Community" program on October 4, 2019. It's UI's community service through Integrated Guided Posts (Posbindu). Up to 2019, UI has been developing Posbindu in 3 regions in Indonesia, namely in Sidoarjo Regency (East Java), Musi Banyuasin Regency (South Sumatra), and Depok City (West Java). Posbindu educates the public on health. They can also ask for medical consultations and check their health conditions.

Description:

University's sustainability report is published annually (2018 and 2019). The report consists of all efforts by the university in order to achieve all SDGs. This section presents the report of the third point of the SDGs, Good Health and Well-Being, as part of the annual university's sustainability report.

This section also provides some evidence of the university's action to achieve SDG 3. The Bureau of Public Relation and KIP UI publicizes the construction of new buildings and activities that improve the health of its academic members. The development of Sports Facilities (Sarana Olahraga/SOR) UI aims to facilitate every academic member of UI's extracurricular activities to push their potential in the field of sports. SOR UI will integrate every sports facility of each faculty so that the students from all faculties can interact with each other. In the future, sports facilities in each faculty will be revitalized as forestation facility or a facility for academic development services.

Universitas Indonesia celebrates its 69th *Dies Natalis* (Anniversary) by holding out Tumpeng Decorating Competition and Group Walking Competition. These activities aim that the academic members of UI are physically and psychologically healthy as a healthy body and mind will increase productivity in working and doing activities.
