SDG17: PARTNERSHIP FOR THE GOALS

17.4 Education for the SDGs

17.4.1 Education for SDGs commitment to meaningful education

Description:

Universitas Indonesia is committed to holding education in achieving the SDGs. It can be seen in the Rector Decree on compulsory subjects on the university level. The curriculum from every study program is required to include the commitment to achieving the SDGs.

Universitas Indonesia has a commitment to conduct meaningful education based on all aspects of SDGs implementation such as a policy to relate all teaching and research to Sustainable Development Goals. All lecturers and students are required to understand all areas of SDGs in which they would like to focus on. The following video shows some effort by the Vice Rector on education related to policy on the implementation of education of SDGs of Universitas Indonesia. Starting from this year, a new curriculum called “Merdeka Belajar” have been implemented aiming at more collaboration and impact to the society.
